Stephanie  
Garcia

Dear Class of 2010,

Throughout my high school years I have tried my best to be the type of student worthy of such an honor of being the valedictorian. In addition to tackling the books hard, I was also the captain of the Girl's Soccer team as well as president of the National Honor Society and became heavily involved with school activities such as Pathways to College, Math Olympics, Track, Tennis, Drama-Club, Close-Up (government club), Student Council, and Video Production. As the lead actress in many of the Video Production team's films, I was given access to the behind the scenes workings of what it takes to produce a film and received many accolades as well. These experiences has been surreal yet have led me to my chosen career path in the field of video production. In September, I am planning to attend New York University where I will work like a dog to further my education and to achieve my goals. To the class of 2010 remember; "We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty." Maya Angelou

Sincerely,  
Stephanie Garcia

Drashti  
Patel

Dear Class of 2010,

Choice--sounds like just another word, doesn't it? I've noticed that most of the simple words in life prove to be the hardest to implement. Here I am, a high school senior trying to find my way through life; a life that by far has been allotted to school, home, study and work. At first, I thought life was going to remain mundane until I learned that if I put my heart into everything I do life will reward me. So I, Drashti Patel, made the choice that led me to an honor of being the Salutatorian. Throughout my high school years I've worked really hard to keep a constant GPA of 4.0 or higher and I've been successful in accomplishing that goal. I became deeply involved with extracurricular activities and I am an active member in many clubs. As the member of Math Olympics, our teams were able to achieve awards such as 3rd place in Algebra II and Pre-Calculus. As a Lead Anchor with the Audio/Video Club, we were successful in putting out shows such as East Side Scoop, Teen vs. Library PSA, and Documentaries. Everything I gave to my studies paid off. My work was recognized and teachers saw my potential. I am a very curious individual, always wanting to know the why and the how of things and I learned that Engineering is the career I want to pursue, not only because of the wide range of choices but also because of the opportunity to use one's creativity. My love and aspirations for a career in Engineering are beyond obvious and this aspiration is the single most effective motivation for me. In September 2010, I will be attending NJIT. In the following years, I also plan to transfer to MIT. As Robert Frost once said, "I took the path less traveled by, and that has made all the difference." So my dear fellow class mates I read to you "Go confidently in the direction of your dreams, and live the life you have imagined" Henry David Thoreau.

Sincerely,  
Drashti Patel

Thanks for the Memories....

There are too few things that one can do with one's life that makes you feel like your life mattered. Teaching matters to me. To have the opportunity in helping to shape a young person's dreams is always worth it.. I wish to thank all my students and colleagues for this long art filled and wonderful journey. It is an honor for me to graduate East Side High after all these years. To the Class of 2010, make your journey special, make your life matter.

# Sports

# Football

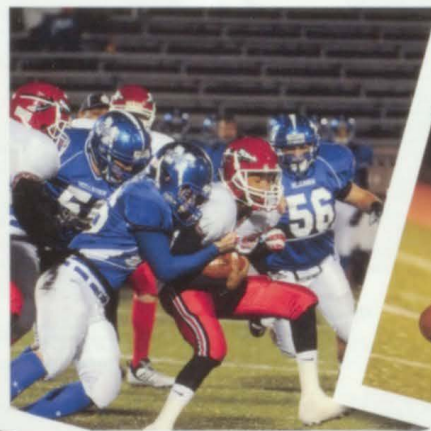

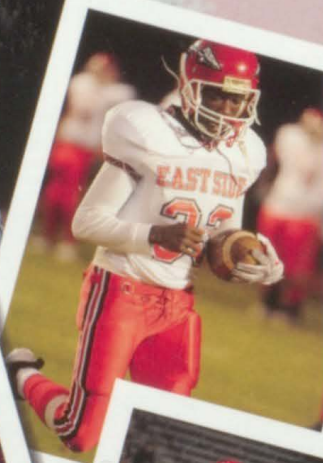

The 2009 football season was a very exciting one for the young Red Raiders. They opened the season with 5 straight playoff teams (finishing 3-8). The leadership of seniors Elijah Plant, Cedric Odom Mahommed Kromah and top reserves Jason Lockhart and Bobby Jackson has paved the way for the 2010 team, which is looking at winning the Super Essex Conference next season.

In 2008 we laid the foundation.

In 2009 we laid the wood.

In 2010 we will build the house (SEC Champions).

# Cross Country

The East Side Cross-Country and Track & Field Teams have been taking long strides to once again reach the glories it has long been known for. With the help Coaches Luis Henriques and Filipe Dos Santos, who are also former runners of East Side, the team has won two Cross-Country City titles in the past 3 years and has increased its participation in prestigious invitational meets around the state. The team has also produced a few individual Conference winners, including senior Ana Ferreira. On an academic note, our runners are proud to belong to the team with the highest GPA in the school, with a GPA higher than 3.5

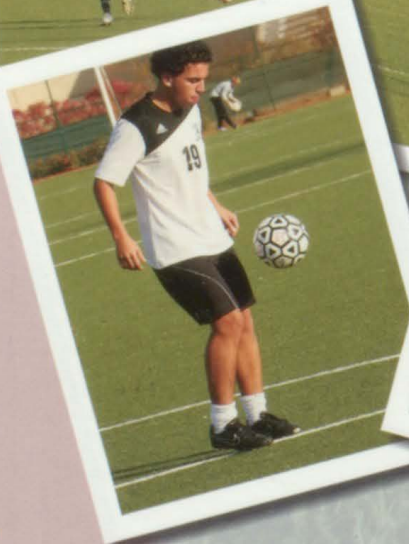

# Boys' Soccer

East Side Boys Soccer had a very challenging 2009 season. After the realignment of the conferences, East Side became part of the Super Essex County American Division. Therefore, playing in a conference with the top 5 teams in the Essex County was a tough challenge for a young team. East Side was led by seniors Diogo Oliveira, Michael Imasemwendo, Ricardo Pinto, Erlin Melgar, Nahin Melgar, Marco Pacheco and Ruben Da Silva. East Side finished the season by winning the NPS Soccer Tournament for the 6th consecutive time. Next year's team will be led by Charlie Lizardo, Gabriel Dos Santo, Pedro Barahona, Hamilton Pereira, Bryan Martinez, Lucas Almeida, Eduardo Melgar, Guimberly Owusu, David Cerqueira, Luis Henriques and Brandon Goncalves. This young group has the potential to make a lot of noise in the SEC A!

# Girls' Soccer

Under the leadership of seniors Diana Catarino, Angie Carvajal, Stephanie Silva, Jennifer Calle, Stephanie Garcia, and Ana Soria, the Girls' Soccer team ended a successful season with a record of 7 wins and 9 losses. The Lady Red Raiders' aim for next season is to top the SEC Colonial Division, and will rely on the return of a promising group of underclassmen to achieve that feat.

# Girls' Volleyball

Once again this year's Girls Volleyball team had a great showing, ending the season with a record of 15-8. Every loss came at the hands of State place finishers. The highlight of the season was in the State tournament, where the girls (Ranked 12) came up just short of defeating the number 4 ranked team in the State Quarterfinal. They finished the season ranked number 10 in the state group 3. They look forward to next season, as they are losing only 1 senior this year!

# Boys' Volleyball

The Boys Volleyball team is looking forward to rebuilding this year led by its three Seniors including co-captain Kayron Salvador, Mauro Veloso, and Eliab Gouveia. We will be playing in the Super Essex County Conference for the 1st time this year. Other team members include co-captain Carlos Hamberland, Francisco Fernandes, Robert Da Silva, Anthony Morales, Atila Souza and Rayner Bonfim.

# Girls' Basketball

Women's Basketball was led by 4 seniors Sakira Benbow, Ashley Malabe, MiAshiah Ross and Shavera White. Lady Raiders earned a 7 and 15 record which in recent history was a great accomplishment. The 7 wins will be the building blocks for future East Side Lady Raider's teams.

# Boys' Basketball

The 2009-2010 boys basketball team finished the season 19-7. Senior Andre Flanigan was the only senior starter on a team of mostly underclassmen. East Side won the Newark public schools Christmas tourney and had a good run in the counties and states tournaments.

# Ice Hockey

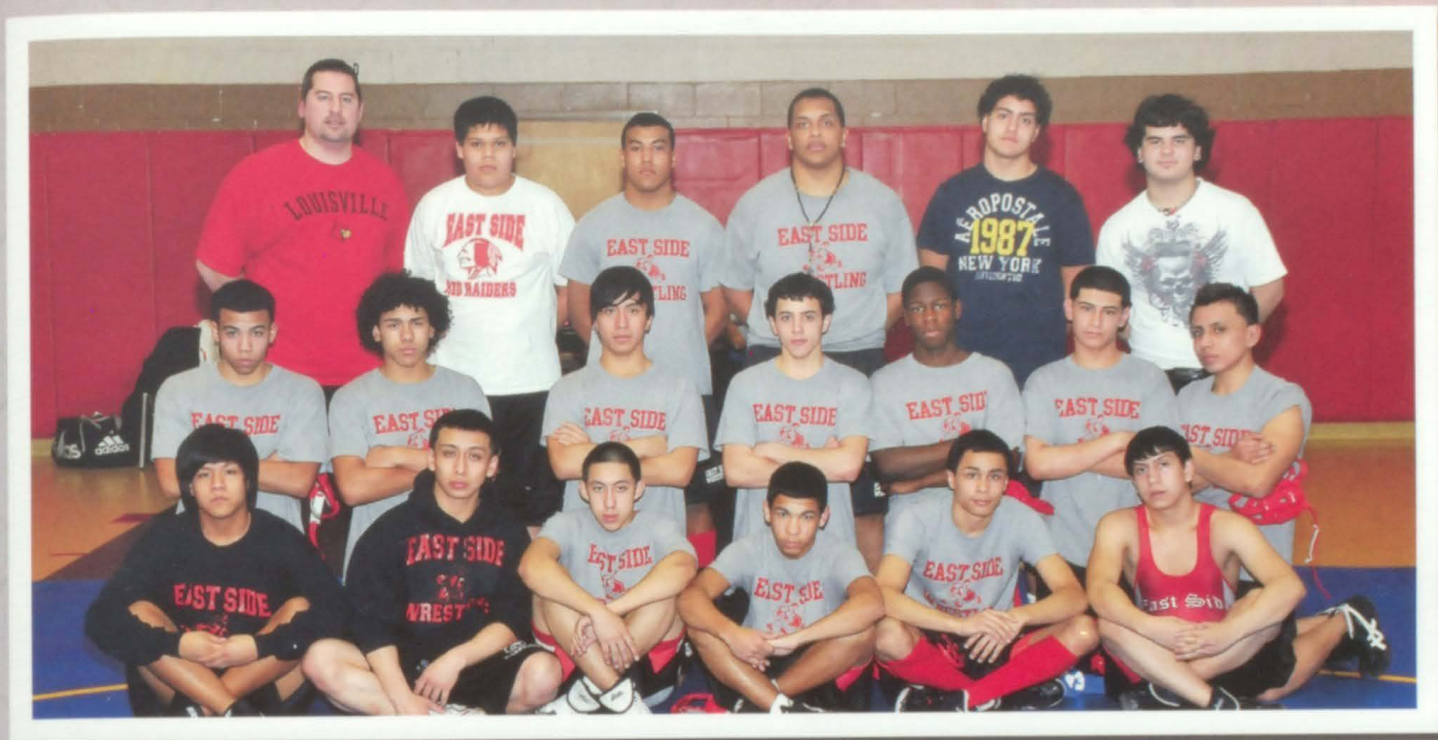

The East Side High School Hockey Team had one of its most successful seasons and finished the year at 8-5-2. They qualified for the NJSIAA State Playoffs for the first time since the late 1980's and were led by Senior Captains Paulo Gomes, Brandon Santos, and Antonio Tavares. Paulo Gomes led the team in scoring with 18 goals, 8 assists, and 26 points. Other key contributors included: Juniors- Daniel Martinez, Jarmain Matos, Anthony Otero, Michael Raposo, and Armando Romero. Sophomores- Wilson Calderon and Kevin Lopez Freshman- Gabriell Gomes. With the implementation of the Hockey In Newark youth program the future looks bright.

# Wrestling

The East Side wrestling team battled through injuries to finish the season with a record of 4 wins and 11 loses. The team was led by Senior captain, Jose Solano. Seniors, John Auriemma, and Christian Agosto will be sorely missed, but the return of a strong freshman class, and seasoned veterans like Fernando Pereira and District 14, 285 pound, champion, Christiam Delgado, will ensure a successful season next year.

# Swimming

This year's East Side Swimming team saw more numbers than any other prior season at the pool. The team was led by senior captain Dennis Osorio and sophomore from West Side, Patrick Campbell. This season qualified 3 swimmers to the county meet including both captains and freshmen Maria Larrea; Patrick Campbell placed 8th in the county 50 free. Coming back next year are seasoned veterans like Ashley Trinidad, Lenin Marcatona, Cristian Aguila, and freshmen Kethly Morochor. Senior Elizabeth Barahona will also be greatly missed.

# Bowling

The bowling team consisted of all new inexperienced bowlers. The team finished 7th in the conference, and 5th in the city meet. The Red Raider bowlers hope next season will be better despite the loss of 6 senior members.

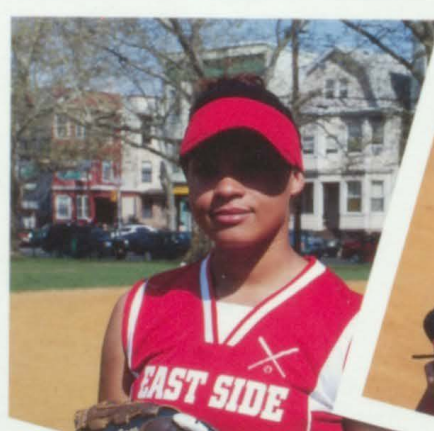

# Softball

The East Side Softball team plans on coming back from a strong last season including for the first time in school history, City Champions. Due to the new conference changes the team goals were set high for the upcoming season. Coming back from last year are seven starting players including three senior captains Ashley Malabe (3rd base), Elizabeth "bunny" Davila (pitcher) and Drenis "yadi" Bernard (2nd base). Senior and pitcher Olga Pascual will also be an addition to the team that will help us in our success this season.

# Baseball

The 2010 baseball team returns an experienced group of seniors who will compete in the newly formed Super Essex Conference "American Division". Leading the team are senior captains Cedric Odom and Juan Melendez who will provide vital innings on the mound. Centerfielder Elijah Plant and Second basemen Antoine Medina supply the speed around the bases for the Red Raiders. Third basemen Juan Henriquez and Shortstop Chris Hernandez contribute their excellent fielding ability, while new-comer John Dominguez comes equipped with a solid throwing arm behind the plate.

# Girls' Tennis

# Boys' Tennis

The Red Raider Tennis team is eager to open the 2010 season. It is a young team primarily made up of Freshmen and Sophomores and have a strong academic record. Our number 1 singles is senior, Anwar Hosain, who is also a model student taking AP calculus. We want to continue our academic excellence and try to develop into a winning team for years to come.

# Lacrosse

The 2010 East Side lacrosse team enters its second varsity season with great expectations. After a 2-16 initial varsity campaign, the team looks to go only upwards. Seniors Mike Barros, Edward Salas and Bobby Vera lead a young team of players this season. However, the return of strong junior and sophomore classes and seasoned veterans Fernando Pereira, Caio Rentes, Luis Padilla, Quelvi Castenada and Jonathan Ali should ensure a successful season. Look for the Red Raiders to stand victorious over their opponents in 2010.

# Golf

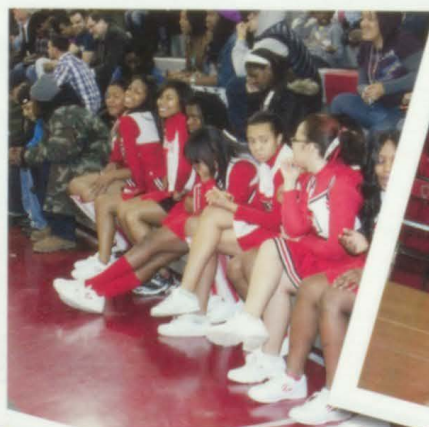

Second year golf coach, Mr. Rasczyk, is hopeful of improving last year's record of 3 and 9 this year. The Red Raider golfers are in a new conference this year and will be playing schools who's programs are more in line with our own. Mr. Rasczyk is very optimistic about his two returning players. They are junior captains, Matthew Santos and Bruce Johnson. He also see potential in the new players, sophomores Yiwen Wong, Robert Palacios, Alex De Olivieria and freshman Luis Miguel Venceslau.
